

Lenovo ThinkPad

Elevated experience, simple beauty, exceptional power. Introducing Lenovo ThinkPad Z16 Gen 2—the definition of progressive performance. This sophisticated 16" laptop exceeds the demands of today's work-from-anywhere workforce, powered by the AMD Ryzen™ PRO 7040 Series featuring Ryzen™ AI, the world's most advanced and ultra power-efficient processors, along with the latest AMD Radeon™ PRO graphics.

The user experience reaches new heights, with a super-narrow bezel design that enables a 92+% screen-to-body ratio and the premium camera with new e-shutter. As the workplace continues to evolve, the Lenovo ThinkPad Z16 is designed to satisfy the aesthetic and functional desires of modern employees while meeting commercial manageability and performance requirements.
